

LACAC - CAAS Roundtable
Mesa Redonda de Alto Nivel CLAC-CAAS

Air Travel Recovery

14 December 2021

8:30am - 10:30am (UTC - 5)

ORGANISED BY

This 2nd edition of the High-level Roundtable is designed for Directors-General and Senior Management to discuss pertinent issues, challenges and opportunities for decision making as air travel recovers. It will cover the considerations in adopting a multilayer risk management strategy and conditions needed to facilitate air travel in a safe manner, in alignment with ICAO High-level Conference on COVID-19. The Roundtable aims to facilitate the exchange of experiences and best practices among LACAC Member States and Singapore, and discuss views that are of interest to the Latin American region on air travel recovery.
