

QCAA – LACAC International Aviation Law Course

This course enables representatives of Civil Aviation Administrations, Civil Aviation Authorities, Airports and Air Navigation Service Providers to support their organization in compliance with international Aviation law, through application of appropriate knowledge and advocacy. This course is organized by the Qatar Civil Aviation Authority (QCAA) and the Latin American Civil Aviation Commission (LACAC) and is hosted by General Directorate of Civil Aviation of Peru.

WHAT TO EXPECT

- Gain knowledge in the fields of Public International Aviation Law, Private International Aviation Law, International Criminal Aviation Law, National Civil Aviation Law and Regulations.
- Provide tools in the field of Aviation Security crimes to achieve common understanding with the other State Authorities.
- Understand the State obligations towards the International Community and how to comply with the international requirements through Civil Aviation oversight and airline commitment, consequently achieving smooth and profitable operation.
- Understand the Public law and regulations of civil aviation to seek strong compliance with their requirements to achieve a safe and regulated growth.
- Understand the Private International Aviation Law which emphasizes on the aspects of liability regime in international air transport, helps in minimizing, dealing with and avoiding high liabilities.
- Understand the rights of passengers, consignors, and persons on the ground.
