

## 2024 UAE GCAA Fellowship Program

The Technical Cooperation Memorandum of Understanding (MOU) between the UAE General Civil Aviation Authority (GCAA) and the Latin Civil Aviation Commission (LACAC) establishes a Fellowship Training program. This program aims to offer training opportunities to eligible officials from LACAC Member States who also represent developing Member States of the International Civil Aviation Organization (ICAO)

### Terms of Award

Upon acceptance to the courses, participants will have their training fees fully covered by the UAE GCAA.

For in-person courses, the following additional benefits will be provided:

- Hotel accommodation will be arranged for the duration of the training, including one day before the course commencement and one day after its conclusion.
- Participants will receive a daily allowance of 150 AED per training day, covering expenses during the entire course duration from the first day to the last.
- Roundtrip tickets will be provided for the duration of the course.

### Application Guidelines:

Member States (CAAs) can nominate a maximum of one (1) candidate per in-person course and up to five (5) candidates for virtual courses.

**First**, the member States will **communicate** through an email their desire to nominate their respective participants at [pbullon@clac-lacac.org](mailto:pbullon@clac-lacac.org) and CC [clacsec@clac-lacac.org](mailto:clacsec@clac-lacac.org)

The application process must be completed online through the following link:

<https://forms.gcaa.ae/surveys/E052B146-EF42-41A7-B660-0E78DD71320A>

As part of the online registration, participants must include 2 documents: An official nomination letter duly signed by the Director of their organization, and the 'Training Application Form' duly filled out.
