

1st QCAA-LACAC Internship for Young Aviation Professionals

06 - 10 October 2024
Doha, State of Qatar

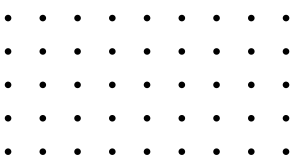

OBJECTIVE

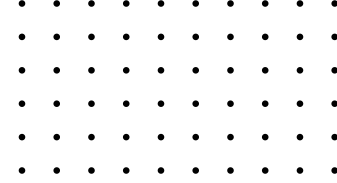

Provide a professional development opportunity to young aviation professionals from Latin America who are starting their aviation career

REQUIREMENTS

1. Hold university qualifications,
2. Minimum of two years of experience in aviation-related activities, preferably within a Civil Aviation Authority,
3. Good command of English language, and
4. Preferable twenty-five (25) years old or younger, but not older than thirty (30) years old.

QCAA recognizes the importance of advancing gender equality in aviation, thus we encourage female candidates to participate.

EXPENSES

QCAA will provide:

- air tickets (economy class). Participants should arrive Doha one day before the commencement of the internship and depart one day after its completion.
- hotel accommodation with full-board,
- local transportation (to/from airport, hotel, QCAA premises), and
- entry visa to the State of Qatar.

QCAA will not provide medical insurance, cash allowances or process any transit visas of the scholars

APPLICATION PROCESS

- The selection of the candidates is to be managed by LACAC.
- LACAC should provide QCAA with the participant list and copy of passports, as well as the preferred travel itinerary (home country - Doha - vv).
